Training Goal: To create a team of beta testing facilitators for the Commonwealth Institute for Parent Leadership at the local level who will:

- Provide families with relevant information about KY public education to increase the number of families who report greater confidence in making decisions about their child’s education.
- Create networking opportunities for families and schools to build authentic trusting relationships and deepen the family-school partnership.
- Increase partnerships between schools and families to improve students’ grades, attendance, persistence, and motivation.
